

SUMMARY

# ECJ 20 October 2022, case C-301/21 (Curtea de Apel Alba Iulia and Others), Age Discrimination

## *Curtea de Apel Alba Iulia and Others – v – YF and Others, Romanian Case*

### Summary

A national provision which, as applied in domestic case law, results in a higher salary for persons who entered into service before that provision came into force, does not constitute age discrimination. Moreover, Directive 2000/78 only protects the grounds mentioned in Article 1 of that Directive. Unfortunately, no English translation of the case is available. Other language versions are available here.
